

The Village at Auburn Grove Newsletter & Calendar February, 2017

Auburn Grove Residents!

We have some great news! Congratulations to our Craft Committee for winning first place at the Festival of Trees. This is the second year in a row that they have won first place. Thank you for all your hard work!

We have some things coming up in February that you may want to participate in. Lunch Out for the Ladies is on Tuesday, **2/7 at Kosta's** and Dinner Out (for all residents) will be set **for 2/28 at the Prison City Pub**. Bingo is having a **"Wear Red Night"** on 2/15 for **Valentine's Day**; those who wear **red** will receive a prize. We will be having a dinner with **Humphrey's Catering on 2/18 at 5:30 pm**. The charge is only \$10.00 as the Activities Committee is paying the balance; so, sign up soon. We will also be carpooling to **Del Lago Casino** for lunch and gambling on 2/23, leaving the Grove at 11 am. Please sign up so that we know you are going. The **Knitting and Crocheting Group** will be meeting every Monday at **2 pm**; feel free to join them or just stop in to see what they are doing. Many things are going on so please check out the calendar and see what is available for you!

We have had to limit our **"Coffee Hour" to the 2nd and 4th Fridays of each month** as we have not had the response necessary from residents to sign up for the set up and clean up for the Coffee Hour. Coffee Hour for this month will be held on 2/10 and 2/24.

Tom Way and Linda Bolha have very nicely agreed to pick up the VFW meals for us, therefore we can go back to a charge of \$6.00. **Please put the monies in the Pay Box and pay one week at a time in cash with the correct amount.** If you would like to donate to the Halicy's for the salad, etc., there will be a bowl on the salad table for those donations. If you have any questions regarding this, please see me in the office. Just a reminder that the monies must be in each **Tuesday by noon** if you would like a meal. I have really appreciated Marianne White and Paul Crapo for taking care of this while they resided here. A big thank you to them!

If you are going to play cards, games, etc. In the Community Room, that is terrific. However, because this is a community area it does mean that you cannot turn people away or stop people from playing if they are a resident here. If you want to limit people playing, then you must go to your apartment. Also, when you are using the Community Room we ask that you close the doors so it does not disturb the people using the library. As a reminder if you are using the Community Room for a private party you must fill out the Community Room sheet and give it to me in the office for approval.

Please extend a warm welcome to our new residents, John & Joan Ryan in apartment 227.

CALAMAR FOUNDATION

With the Calamar Foundation, together we can make a difference. Calamar will match dollar for dollar, every \$1 donation that is given to the Calamar Foundation. The Calamar Foundation was established in the hopes of making a difference in our communities by partnering with national charitable organizations whose mission is to fund research, programs, education and the advancement of a cure for diseases that negatively affect our friends and families. The Calamar Foundation reflects the same vision as the Calamar Corporation - which is to give back to the communities where we live, work and thrive. With your help, we WILL make a difference. For more information, please speak with your Community Manager.

SPEEDING

All residents must obey the posted 10 MPH speed limit and stop at the stop signs. Since we have adjusted the cameras we have seen residents flying through the stop signs and exceeding the speed limit. The first time we see you doing either of these you will receive a warning. The second time will be a lease violation. Please be careful and obey the signs. Thank you!

TRASH ROOMS ON THE 2ND AND 3RD FLOORS

Residents on the 2nd & 3rd floors have been leaving boxes, bottles, recyclables, Styrofoam, etc. on the trash room floors. You may not do this! All cardboard (including boxes) should be broken down and put in the first-floor trash room or taken to the dumpster. All recyclables (this includes plastics, cans, bottles, etc.) should be put in a trash bag separate from trash and put down the chute. If it is too big to put down the chute, then you will need to take it to the first-floor trash room. Please under no circumstances should anything be left on the floors of the 2nd and 3rd floor trash rooms. Thank you for your cooperation.
