EMERGENCY SITUATIONS

In situations when 911 is called, sometimes the resident/patient can not communicate important information to the paramedics. I would like to suggest that all residents put their information on the refrigerator so that paramedics will have access to all the information they need. The information they need is:

Family contact: Name, cell phone & home phone

A list of their prescriptions, so they know what medications the resident is taking.

List any pre-existing conditions or medical problems.

Any allergies

Any DNR orders

If we all do this it will help the emergency personnel and speed up the process of notifying relatives and possibly save some lives.

Wine Tasting

We will be having a wine tasting in the Community Room with our Resident Wine Connoisseur, Ed Vail! We will have various wines & non-alcoholic drinks as well. The wines will be paired with different food offerings, so you do not have to bring anything. This is for Auburn Grove residents only. The charge for all this is \$5.00. Please sign up and put the monies (labelled Wine Tasting) in the Pay Box.

VOLUNTEERS FOR SPECIAL OCCASIONS

We are updating our volunteer list for the community room and kitchen. We always need volunteers to help set up and cleanup for special events that require the use of the kitchen and community room. If this is something you are interested in helping with, please sign up. Thanks

August Humor: When the temp reached 102. My wife's yearning for snow cones grew. "Why'd you buy only one?" My wife asked. I said, "Hon, Cause I only have ice for you."

THE VILLAGE VOICE

August

"Come as strangers, live as friends"

Hello! Welcome August! Hopefully August will bring more sunshine and less showers than we had in July.

We have many exciting events planned for the month of August. Please make sure you are reading your newsletters and signing up for events. **It is important to put your money in the pay box and sign up** if you would like to attend the events that you have to pay for .

Poppy's ice cream truck will be coming here for the month of August but please note some of the changes in times on the calendar.

Please welcome our newsiest resident, Nancy Sheehe in apartment 212. Welcome Nancy!

We now have a Connect 55 feedback form. It was discussed during coffee hour, handed out to residents and also discussed during our Connect 55. Please take a moment and fill out the feedback form. Your input is invaluable and we care about what you think about the many wonderful events and activities that we offer here. Please return to the office when you complete them and there will be additional forms available downstairs by the new resident folders that are now up.

Thank you to each and every one of you for all you do to make our Community be the wonderful place to live, work and visit. Everyday, Joe and I are surrounded by all of you; there is not a day that goes by that we are not chuckling over something that was said, or impressed with how supportive all of you are to not only the both of us, but to your neighbors as well. Thank you again! *Sue*

Quote of the Month: "Vegetables are a must on a diet. I suggest carrot cake, zucchini bread, and pumpkin pie." Jim Davis
