

**Trivia for the Month!** -Stephen Foster's song, Oh Suzannah, was sung for the first time in public at a saloon in Pittsburg, PA. Foster sold the rights to the bartender for a bottle of whiskey.

**Connect 55 Meetings**

As a reminder we have the Connect 55 Mtg. on every other Wednesday at 3:00. All are welcome to attend the meeting. We meet and discuss things needed at the Grove, and this is where we sit down and plan the events at the Grove. As you know the Connect 55 program we have here at the Grove is resident driven. We are always looking for new ideas for the Grove and welcome your participation at these meetings. As a reminder, please feel free to fill out one of our Connect 55 feedback forms, and put it in my box. It's very easy to fill out, and that information is shared with our Connect 55 group & with Calamar.

**St. Mary's Pasta Dinners**

Marlene informed me that we will no longer be doing the St. Mary's Pasta Dinners. The reason for this is that St. Mary's is no longer able to deliver the meals and due to Marlen's schedule, she is unable to pick them up. In the future if St. Mary's is able to deliver, we will start them back up again. Thank you for your understanding.

**Bible Study**

The A G Bible Study will start Thursday, 9/12 at 10 am until 11:30 am in the Community Room. This is a non-denominational Bible Study and men and women are welcome. Refreshments are provided.

We will be studying Hebrews Chapter 11.

**9/2-42nd Annual Great Bathtub Race, Nome AK**

In 1978, then-Mayor Leo Rasmussen was looking for a way to attract visitors to Nome. His brainchild, the wacky (and exceedingly clean) Great Bathtub Race, has no equal anywhere in the world. In this fun Labor Day event, teams line up at High Noon and prepare to race about 100 yards down Front Street.

Each team must have five members - one to "bathe" in the tub full of water and copious bubbles, while four others propel it in a mad dash down Nome's most famous street. Racers wear the official Bathtub Race costume, consisting of a large brimmed hat and suspenders (frequently fashioned from duct tape). Spectators are known to start the fun early by tossing water balloons at the athletes as they warm up.

The tubs are mounted on wheels, and must be at least 4 feet long. Beyond that, there is no consistency, with teams doing their best to engineer an aerodynamic vehicle that will fly down the street - even when full of water and a bather.

At the finish line, the tub must still have 10 gallons of water in it, and racers must have their requisite items - bar of soap, towel, washcloth, and bathmat.

The winning prize? Bragging rights, and possession of a most unusual trophy: a figurine of Kermit and Miss Piggy taking a bath. (It's passed on each year to the next winner).

**"Come as strangers, live as friends"**

Dear Auburn Grove Residents,

We have many things planned for September and many of our groups are starting back up. Bingo will be starting back up on Tuesdays, every week, and you will be seeing Bible Study starting back up on Thursdays. Harmony Cats will be here on 9/12, we will be having a Pizza Party on 9/26. We will be having our last Party on the Patio for this season on 9/16. Life's Journey will be coming back, but we will be starting that back up in October.

Please welcome our newest resident Beverly Groce in Apartment 215.

As a reminder, Joe and I will be off for Labor Day, on September 2. I will also be off on the 3rd. Joe will be taking out the garbage that weekend, and will be answering any emergency calls.

I would like to remind all residents that you make sure when you are checking your mail, please be sure to check your resident folder hanging on the wall. I have noticed that some people have left their newsletters, etc. in the folders. The folders are working out well and many residents have found them useful/helpful. However if the folders get too packed with papers, cards, etc., they could rip. Thank you for your help with this.

I would also like to remind all residents about the Connect 55 Feedback Form, and encourage all residents to fill one out. I have received quite a few of them back and have shared the responses with the Connect 55 group that meets on Weds, as well as with corporate. Your opinion matters, and we welcome all suggestions. Like always we ask for residents to help with the planning of all events. The Auburn Grove Connect 55 program is resident driven and it's success depends on resident involvement in the planning and execution of the planned events. Thank you to all who volunteer their time and talents to make Auburn Grove an amazing, fun place to live, and visit.

Sue
