Eagle Crest Chronicles

Volume 1 issue 2

October 2018

"Come as strangers, live as friends"

Welcome to October! The time of pumpkins, crunching leaves and Halloween. With the month of October, autumn moves into full swing and beautiful fall colors arise. Who doesn't love wearing a nice, warm sweater for a brisk outdoor walk or enjoying a warm cup of apple cider while watching the leaves change? I am thrilled to spend another fall here with all of you and being a part of your lives. Eric and I have been working very hard at creating a community where we all truly feel at home. As always, if there is ever anything that you need in your apartment, or if you have an idea for a new event you'd like to see, please reach out and let us know. I am looking forward to all of our Fall/Halloween events this month and hope you'll join us for one or all of the great things we have coming! The Halloween Party will be a blast and I cannot wait to see all the door decorations for our contest!

One maintenance tidbit to keep in mind: all work orders must be put into the system in order for Kevin to be able to complete. He isn't allowed to do work orders that you tell him in passing so please use the kiosk in the library or call the office with any maintenance related concerns so we can address them properly. Thank you & have a great month!

-Chelsea

Making Strides Walk at Eagle Crest and Pink out

October 10th 1pm

October is Breast cancer awareness month. Nearly 250,000 people will be diagnosed with breast cancer this year. We hold Making Strides Against Breast Cancer walks so anyone touched by breast cancer won't have to face their diagnosis alone. We do it to raise awareness and money to fund research, support services, and early detection. We hold Making Strides events to save lives. We are going to wear pink and walk to show solidarity. The

American Cancer Society is a partner of the Calamar

Foundation. Donations are welcome. You can do your part!
