I can't believe it is June already! On behalf of the Calamar Family, I would like to take an opportunity to thank everyone who helped to make Calamar Foundation Month such a success. Your support and generous donations, really show that you care as much as we do when it come to issues that effect those we love. This month we will be doing a special activity on Friday, June 21 for the Alzheimer Association. June 21 is the summer solstice, the longest day of the year; and the day the Alzheimer Association has chosen to bring awareness to their cause. Thank you again for everything you do to make the Grand Reserve such a great place to live and Happy Summer.

Reminders

All dogs must be on a leash and attended while outside. It is your responsibility as a pet owner to clean up after your pets as well.

We are proud to be a "Smoke Free" community. **This means that there is absolutely no smoking allowed on Grand Reserve property.** This extends to your family and friends when the visit. Failure to follow this policy could mean a early termination to your lease.

Quote of the Month: "I want to be remembered as a darn good entertainer, nothing spectacular. A good entertainer who made people enjoy themselves and made them laugh a little. I want them to think "He was a nice guy. He did pretty good and we loved him." Dean Martin
