

Trivia for the Month! Stephen Foster's song, Oh Suzannah, was sung for the first time in public at a saloon in Pittsburgh, PA. Foster sold the rights to the bartender for a bottle of whiskey.

9/2—42nd Annual Great Bathtub Race, Nome AK

In 1978, then-Mayor Leo Rasmussen was looking for a way to attract visitors to Nome. His brain-child, the wacky (and exceedingly clean) Great Bathtub Race, has no equal anywhere in the world. In this fun Labor Day event, teams line up at High Noon and prepare to race about 100 yards down Front Street.

Each team must have five members – one to “bathe” in the tub full of water and copious bubbles, while four others propel it in a mad dash down Nome’s most famous street. Racers wear the official Bathtub Race costume, consisting of a large brimmed hat and suspenders (frequently fashioned from duct tape). Spectators are known to start the fun early by tossing water balloons at the athletes as they warm up.

The tubs are mounted on wheels, and must be at least 4 feet long. Beyond that, there is no consistency, with teams doing their best to engineer an aerodynamic vehicle that will fly down the street – even when full of water and a bather. At the finish line, the tub must still have 10 gallons of water in it, and racers must have their requisite items – bar of soap, towel, washcloth, and bathmat. The winning prize? Bragging rights, and possession of a most unusual trophy: a figurine of Kermit and Miss Piggy taking a bath. (It's passed on each year to the next winner).

“Come as strangers, live as friends”

This month we say **Farewell to Summer** and **Hello Fall!**

September is a beautiful month to enjoy our area so I encourage all of you to check out our surroundings. Just out back you get one of the most gorgeous views with all of the leaves changing to the vibrant red, stunning orange, bright yellow and then golden brown as they fall to the ground giving us that little reminder that soon that 4 letter word will be blessing us with its presence. Speaking of which be on the look out for a notice of an upcoming meeting with the snow removal company! We all need to get together to find out what will work best to ensure safe outdoor conditions for all in the coming months. That's enough on the future months for now, please check out the back of the newsletter to see what's happening this month!
