OCTOBER

"Come as strangers, live as friends"

October is packed with so many treats! Continuing tradition, we will be starting up the "I've Been Booed" event- so watch for the ghost to appear on your door! On the 27th, we all gain back an hour of sleep when Daylight Savings Time ends.

The Annual Halloween Party will once again feature Magic by Nick, a huge hit with the grandchildren the last two years! The first calendar of the season features many new activities and events so look closely at each day's schedule. Just one reminder, if you had live plants on the patio or balcony this summer, please be sure to dispose of them in the dumpster before the snow flies! Please do not throw plants/dirt into the bins in the trash rooms or down the chute, thank you!

*Enjoy the crisp Fall air!
Mary Beth*
