National
Senior Citizens Week!

August Lore! If the first week in August is unusually warm the coming winter will be snowy and long!

HISTORY OF NATIONAL SENIOR CITIZENS DAY

“For all they have achieved through out life and for all they continue to accomplish, we owe older citizens our thanks and a heartfelt salute. We can best demonstrate our gratitude and esteem by making sure that our communities are good places in which to mature and grow older– places in which older people can participate to the fullest and can find the encouragement, acceptance, assistance and services they need to continue to lives of independence and dignity.”

Join us for special celebrations and Programs at Harrison Heights through out the week of the week of August 19th and 23rd. Look forward to seeing you all there!

August Humor: When the temp reached 102. My wife’s yearning for snow cones grew. “Why’d you buy on-ly one?” My wife asked. I said, “hon, Cause I only ice for you.”
