**The Groundhog did not See His Shadow**

So, what does that mean for us ?

In this month of Lore, we take a look at the Lore surrounding the groundhog, his shadow, and the arrival of Spring! No shadow means an early Spring (yeah to that!) and it seems to playing out for us. Ohio's Punxsutawney Phil, Staten Islands Zoo's Staten Island Chuck, and Milltown Mel from Middlesex County New Jersey all saw no shadow!

I had no clue about the other groundhogs...and there are even more!

**Special Thanks to Dr. Kanmantha Reddy!**

Many of you have shared how much you enjoyed and appreciated Dr. Kanmantha Reddy's presentation to us on "How to Maintain a Healthy Heart". He reminded us that it's never too late to take heart health seriously and what steps we can take to improve the health of our heart. Your questions added to the presentation and he said that he is eager to revisit us in 6 months! *What steps are you personally taking to ensure your heart health?*

Quote of the Month: "This life is yours. Take the power to choose what you want to do and do it well. Take the power to love what you want in life and love it honestly. Take the power to walk in the forest and be a part of nature. Take the power to control your own life. No one else can do it for you. Take the power to make your life happy." -- Susan Polis Schutz
