Connect 55 + Program

All residents are welcome to attend the Connect 55+ meetings held in the library each month on the first Thursday.

We discuss upcoming community events and I am always open to your suggestions and input on activities to enrich our physical and mental strengths.

If you have questions or ideas that you would like to voice about our community or how we can improve our community please join us.

Please remember when putting items in for recycling only use paper items or card board items that are broke down where they can easily be taken out to the recycling dumpster. Until we get the trash rooms under control and everyone is following the rules on recycling we are going to follow the above instructions where we can prevent pests from entering into our units and community.

All trash should be put in standard trash bags. Walmart and plastic grocery sacks should not be used for trash bags.

Thank you, for your efforts in improving our community.

March Fun Facts

- **March is Women's History Month!**
- ◊ **Josephine Cochrane invented the dishwasher in 1886**
- **March is National Pothole Month**
- **Did you Know: Davy Crockett was an Irish American**

St Patrick's Day Maze

Can you help the leprechaun find his way to the rainbow?

Quote of the Month: "This life is yours. Take the power to choose what you want to do and do it well. Take the power to love what you want in life and love it honestly. Take the power to walk in the forest and be a part of nature. Take the power to control your own life. No one else can do it for you. Take the power to make your life happy." -- Susan Polis Schutz
