Manager's Corner...

Happy 2019 to all of you! I'm looking forward to spending the next year with you and filling up our community with new neighbors and friends to call family.

We have started a community contact list in the event of emergencies including an emergency contact for everyone. In the event something should happen to anyone, we want to know that we all have each other's apartment number's (if needed), phone numbers and an emergency contact if necessary. If you would like to be included please see me and we will add your information. As the contact list is updated, I will send an email with updated information to everyone. This will help all, if you just need a helping hand and emergency services are not required.

Does anyone have a special skill, talent or craft you want to share with us? We would love to put you on our calendar showing us what you do and teaching us something along the way! Don't hesitate to stop by and chat with me!

I appreciate every one of you and thank you all for being a part of our community! Karrie
