The [Reuben](#) sandwich was invented in Omaha – we don't care what New Yorkers say! During a late-night poker game at the Blackstone Hotel, a local grocer was asked to "ante-up" and create a new dish. The available ingredients resulted in an American menu staple.

In 1945 during WWII, a Japanese balloon bomb exploded over Omaha's [Dundee](#) neighborhood. Very few of these Japanese bombs made it that far inland. Today, a plaque commemorates where the bomb exploded and sits surrounded by the neighborhood's hot restaurants, bars and shops.

Omaha is home to one of the world's best zoos. [Omaha's Henry Doorly Zoo & Aquarium](#) is more like a biological park, dedicated to conservation around the globe and home to the world's largest indoor desert, world's largest glazed geodesic dome, and North America's largest indoor rainforest.
